

ALIENS VS COWMANDER

APOCOWLYPSE NOW!

Alien invaders came from beyond the stars, and they're after our cattle! Their plan: get some milk, chop some meat and organize the mother of all barbecues! As a member of the Earth Bovine Defense Forces, you must protect your citizens from the apocowlypse. Use your Tactical Haystack Launcher to repel the abductors before they get a hold of your fellow bovine citizens.

Once all your cows are gone, it's game over!

We're counting on you, soldier, send them back to the Milky Way!

Use your reflexes and all kinds of **power-ups**! Fight against a horde of angry aliens, face the Cowarpator and foil the plans of the Aliens' Mothership!

Unlock all the game's achievements and challenge players from all around the world on a **global leaderboard**!

Expert Mode will make you sweat, soldier! More angry aliens, more danger, more fun! Will your skills prevail in the warzone?
